## PLAY-STAFF LED PROGRAMS

### WE PREP FOR PRESCHOOLERS

**AGES 3-5**

Children will work on social skills and physical development through sensory-based gross motor and fine motor activities. Each session will have a theme which incorporates movement activities, group circle time, snack (brought from home) and a sensory-based craft.

### WE MOVE CLASS

**TODDLERS AGES (UNDER 3 YEARS OLD) & PRESCHOOLERS (AGES 3-5)  
& SCHOOL AGED (AGES 5-6)**

A fun and engaging movement class led by our awesome We Play Staff. Children will play a variety of developmentally appropriate physical fitness and gross motor games and activities throughout the 45min class. Program is designed by Pediatric Physiotherapists.

*\*parent participation required for toddler class*

*\*parent participation is NOT required for preschoolers or school-aged class if child is able to follow instructions in a group environment.*

### SPRING BREAK SESSION

**COMING SOON, DATES TBD | AGES 4-9**

Drop off sessions include multi-sensory structured play in gym space followed by sensory based fine motor activities and sensory exploration. Teamwork, inclusivity and fun are a primary focus at We Play. Snack time is incorporated in the group plan with a snack provided from home.

*\*additional support is required if child is unable to follow instructions in a group environment.*
