

Please be respectful of our
Sickness Policy:

If you or your child is sick, please come when you are feeling better!

If you or your child has had flu symptoms or a contagious illness, please refrain from coming to play until symptoms have been clear for 48 hours.

Out of respect for all guests, if management deems a guest to be too sick, they may be asked to leave.

Please note that we clean & sanitize our facility daily as well as encourage hand washing & offer free hand sanitizer.

Thank you
