

You're invited to a

BIRTHDAY PARTY!

What is We Play?

We Play Kids is an indoor sensory play space for children of all abilities.

What to Expect?

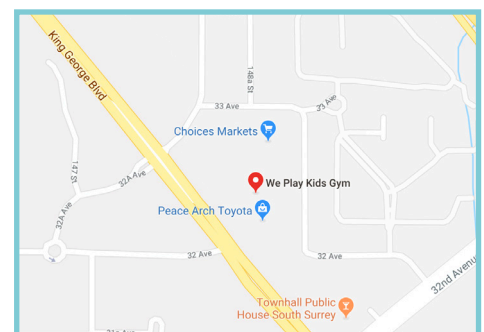

Multi-sensory play exercising gross and fine motor skills will be at the forefront of this special party! You'll have a blast diving into the ball pool, climbing the rock wall, using the slides, trampolines and swings and getting creative in the craft room.

What to Wear?

You'll want to come ready to be active, so wear clothing that is suitable for climbing, sliding, jumping and cake eating! Children can wear anti-slip socks or bare feet. Parents need to wear socks.

What to Remember?

Come curious and ready to explore, learn, grow and have a great time. We ask that everyone use walking feet and inside voices!
